

Explanatory Leaflet for Form EUTR3

APPLICATION FOR PERMANENT RESIDENCE (FOR NON-EEA NATIONAL FAMILY MEMBER)

1. Who should apply on Form EUTR3?

Form EUTR3 is to be completed by each non-EEA national applying for permanent residence, having resided in the State for five years or more as the family member of an EEA national under the European Communities (Free Movement of Persons) Regulations 2015 or as the family member of a United Kingdom national under the European Union (Withdrawal Agreement) (Citizens' Rights) Regulations 2020. References to EEA national in this leaflet shall be deemed to also apply to the United Kingdom national. Form EUTR3 can be downloaded from the website at <https://www.irishimmigration.ie>.

2. Legislation

Directive 2004/38/EC on the right of citizens of the Union and their family members to move and reside freely within the territory of the Member States (the "Directive") is given effect in Ireland by the European Communities (Free Movement of Persons) Regulations 2015 (the "Regulations").

The Directive and the Regulations apply to citizens of the European Union, citizens of EEA Member States and citizens of Switzerland who move to or reside in a Member State other than that of which they are a national, and to their family members who accompany or join them. Under Regulation 15 of the Regulations, a non-EEA national family member of a Union citizen who, by virtue of the Regulations, is entitled to remain permanently in the State may, before the expiration date of the residence card issued to him or her, apply for permanent residence.

5. Changes in circumstances

If your circumstances change (such as a change of address, a change in family status, or a change in the activities of the EEA national) you must inform the EU Treaty Rights Division in writing immediately. Failure to do so may result in your application being refused.

Please be advised that the onus is on you to keep this office updated regarding your circumstances and to resubmit any relevant supporting documents in relation to new circumstances. It should be noted that any person seeking to assert rights or entitlements under the Regulations is under an obligation to ensure that they comply with all appropriate provisions of the Regulations. 7. Immigration status during application process

If your current permission to remain in the State is due to expire before your application is processed, you may be provided with an immigration stamp in your passport, which is valid for the period of the application process only, i.e. a maximum of 6 months. This stamp will allow you to remain in employment and continue to reside in the State until your application has been processed. Please note that receipt of this endorsement is not an acknowledgement of an entitlement to permanent residence. This will be determined in due course when your application is either approved or refused.

8. How do I acquire a right of permanent residence?

A non-EEA national can acquire a right of permanent residence under the Regulations as the family member of an EEA national in one of the following circumstances:

Regulation 12(1)(b) – Five years of residence with EEA national

An entitlement to permanent residence under the Regulations is normally acquired when you have resided in the State as the family member of an EEA national in conformity with the Regulations for a continuous period of five years or more.

Regulation 13 – Cessation of Activity

You may acquire a right to permanent residence under Regulation 13 if you are residing in the State as the family member of an EEA national who:

- (i) is retired, having resided continuously in the State for at least 3 years, and having been engaged in employment or self-employment for at least the previous 12 months; OR
- (ii) has ceased employment or self-employment as a result of a permanent incapacity to work, having resided continuously in the State for at least 2 years; OR
- (iii) has ceased employment or self-employment having been incapacitated for work as a result of an accident at work or an occupational illness entitling him or her to a pension which is payable in whole or in part by the State.

Regulation 12(4) - Retention of Rights

When you have resided in the State for a period of five consecutive years and have retained a right of residence following the death of the EEA national, divorce or annulment of marriage to the EEA national, or annulment or dissolution of a recognized civil partnership with the EEA national, you may acquire a right of permanent residence provided that you are employed or self-employed in the State, or possess sufficient resources to support yourself and any dependants.

NOTE: Before you submit an application for Permanent Residence on the basis of Regulation 14, you must first apply for Retention of a Residence Card (Form EUTR5) and receive approval of your application for retention.

9. Exercise of EU Treaty Rights

An EEA national residing in the State exercises their rights under the Regulations and the Directive by engaging in one of the following activities, as outlined in Regulation 6(3)(a) of the Regulations.

Employment
