## Section 5b Education Expenses

Investors may discount their approved investment with eligible education expenses that they and/or dependants commit to incur within the first five years after their permission has been granted up to a maximum of  $\in$ 50,000.

The education expenses must be for an Irish University or Institute of Technology.

Investors must include a letter from the College confirming that an offer of a place has been accepted by the investor or their family member. The letter from the college should also confirm the fees for each year of the programme.

Please complete the following table with education expenses for each person you wish to be considered for the overall discount.

#### Section 7 Declaration

**Signature** 

- 7.1 I understand that if I make any false statements, or provide any false or misleading information, or have changed or altered this form in any material way after it has been signed, my application may not be accepted and any residence permission issued on foot of such an application may be revoked. I may also be committing an offence and I may be prosecuted.
- **7.2** I have provided true and correct answers to the questions in this form. I have listed all my family members, including any adopted by law or by custom and understand that the non-declaration of any family members may result in that family member not being recognised as part of my family in future applications.
- **7.3** I will inform the Irish Naturalisation and Immigration Service of any relevant fact or change of circumstances that may: (a) affect the decision on my application for permission under the Immigrant Investor Programme, or (b) affect the decision to grant a permission under the Immigrant Investor Programme.
- **7.4** I declare that there are no matters or warrants outstanding, or investigations of any kind, which could have any current or future effect on the assessment of my good character or the good character of any other persons included in this application.
- **7.5** I understand that the Irish Naturalisation and Immigration Service does not licence, sanction [or interact] with independent immigration advisors and that any advice I have received from such an advisor will have no bearing on the consideration of my application by the Irish Naturalisation and Immigration Service.
- 7.6 I authorise the Irish Naturalisation and Immigration Service, and any Government Agency or other party to evaluate the commercial aspects of my plan or its funding and to make any enquiries it deems necessary and to share this information with other Government Agencies (including overseas agencies) to the extent necessary to make decisions about my immigration status. I also consent to any organisation providing relevant information to the Irish Naturalisation and Immigration Service about me.
- 7.7 I accept that any advice given to me by INIS before submitting this application form was intended to assist me and acting on that does not mean that any later application for residence will be granted.
- 7.8 Should my residence application be approved, I understand that my residence permission will be subject to the conditions of the Immigrant Investors Programme. These conditions will be that I retain my approved investment in Ireland for three to five years (depending on the option selected), do not access public funds, and comply with all laws and regulations of the Irish State.
- **7.9** I declare that the funds I have nominated in this application were lawfully earned or acquired and that I will transfer them to Ireland according to the requirements of the Immigrant Investor Programme.
