Making a payment on AVATS online

1.) Customers will notice a new 'Pay And Submit' button when finalising their application form.

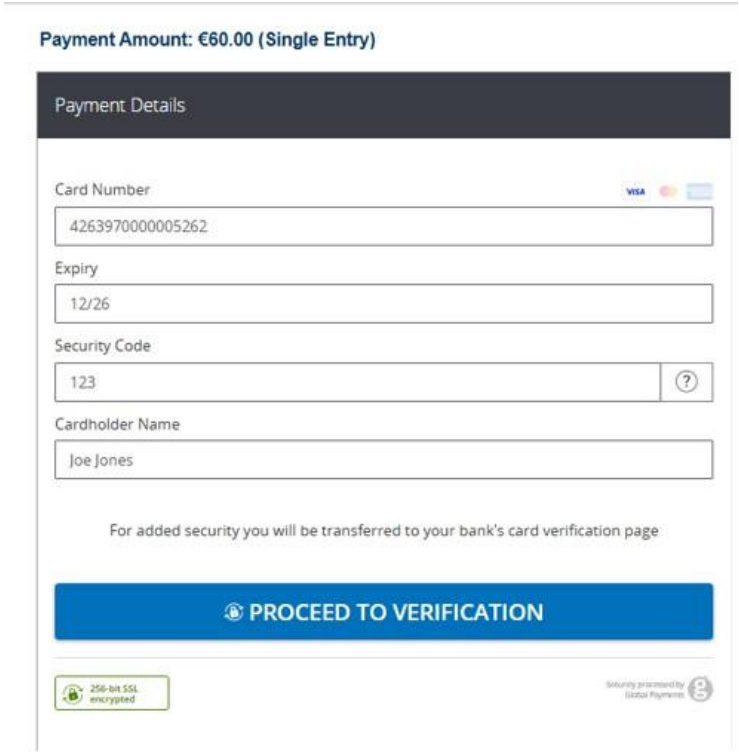

2.) Next, customers will see a 'Visa Fee Payment' information screen:

3.) Customers will then be asked to enter the cardholder details:

4.) Customers will then be asked to enter their card details to finalise the payment:

5.) Finally, customers will be informed that their payment has been successfully processed, and a confirmation email will be delivered to their email address for their records. Customers are advised to keep this email as proof of payment and submit the mail along with their visa documentation.
